NEMO

IN ADVENTURELAND

Who would want to wage war against Slumberland? It all came about when the princess found King Tumbleweed of the forest kingdom pretending he was sound asleep! What could Nemo do under such strange circumstances?

LESSONS IN LARCENY

WATCH FOR TROUBLE WHEN A SWINDLE BACKFIRES.

Jerry Burns*rose from the caddy bench at the Greenway Golf Club and walked slowly toward the roadster. His nose was deep in Hershey's Elementary Chemistry.

"Come on, kid, hurry up!" Al Salvo shouted from the car.

"Sorry, Mr. Salvo. I've got a high school chemistry exam coming up."

Salvo was a slight man. He left the car and approached Jerry.

"Don't you want to caddy for me?" Salvo asked impatiently. "I'm here to play golf, not to worry about you."

"Yes, sir," said Jerry. He shoved Hershey's Chemistry into his shirt and took the two golf bags from Salvo's hands.

Three others of the party approached. Jerry knew Dina Cross, Salvo's secretary, but the other two were strangers. Salvo's expression changed as they drew near. He smiled, looking as if trying hard to be a charming host.

"Let Betty and Ben tee off first," said Salvo.

Dina Cross flashed a smile at Betty. "Go ahead, dear," she said laughing.

Betty swung the driver gracefully, but she blushed as she watched the ball bounce off the fairway and into the rough.

Al Salvo laughed. "Let's all help find the ball."

Jerry was poking about the dry leaves and could not help overhearing Betty.

"Isn't Mr. Salvo nice, Ben?" she asked. "I'm sure glad I work for him and Miss Cross, for now he'll promote your invention. Did you bring the formula?"

"Right here," Ben replied.

There was a gentle breeze blowing from off where Salvo and Dina Cross were searching. As Jerry worked his way through the leaves in their direction, their conversation came to him.

"It will take all night to get around the course the way they play," he heard Dina say. "You've got to think of a way to get the formula sooner. He might change his mind."

"Yeah, and gasoline made from sawdust will make millions for us, baby. I'll suggest dinner at the clubhouse."

Jerry stood uncertainly, wondering what to do. He had never before faced this sort of problem. Then Salvo called Ben and Betty Lake.

As he came out of the thicker, Jerry saw an envelope on the ground. He opened it. On the paper inside were typed chemical symbols. Jerry followed to the clubhouse.

Salvo and his guests were in the dining room when Jerry came out of the clubhouse office. He went toward the table.

"I found this," said Jerry. "Out on the course. I thought maybe it was yours."

As Salvo snatched the envelope, Ben Lake's jaw dropped.

"The formula!" he gasped. Betty turned pale.

"Oh, Ben, you lost it!" Turning to Jerry, she smiled. "I hope sometime we can do you a favor."

Jerry grinned, waited awkwardly a moment.

"Could Mr. Lake help me with my chemistry?" he asked.

"Come home with us," Ben Lake said. "Sure I'll help you, Jerry."

In Ben Lake's cellar laboratory Jerry Burns was not listening to Ben Lake. He heard only the steps outside the door and held his breath.

Salvo was with Dina Cross. Ben Lake smiled a friendly greeting, but it froze on his lips as he saw the small pistol in Salvo's hand.

"Never mind the formula, Lake," Salvo sneered. "Just fork over a sample of the synthetic gasoline."

Ben Lake's surprise was genuine. "What do you mean?"

Jerry grasped a bottle from the bench and heaved it. Dina Cross screamed and Salvo's gun went off, but the shot went wild as the glass crashed in his face. Betty ran down the cellar stairs and Salvo swung on her. Jerry made a flying tackle.

"Call the cops!" he shouted. Jerry picked up Salvo's gun.

When it was over, Ben Lake and his sister listened in wide-eyed wonder as Jerry told Ben of Salvo's plot to rob the formula.

"But he had the formula!" Ben exclaimed. "I don't see why he came here!"

Jerry chuckled, drew a paper from his pocket. "No, I've got it," he said. "All I gave Salvo was a mess of symbols out of my chemistry book. I copied them off on the clubhouse typewriter."

BOYS! MEN!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A

**MAGNIFICENT NEW HE-MAN-MUSCLED BODY
IN JUST TEN MINUTES A DAY—with absolutely
NO weights—NO bar-bells—NO EXERCISE AT ALL!**

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL,

"Builder of Champion Bodies")

**GIVE ME TEN MINUTES A DAY
—THAT'S ALL!**

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. Yea, pal, say goodbye to your weak, baby-meat, get ready for adventure and romance with a solid physique that glows and vibrates with virile b-m-gan appeal. You'll be really proud to have people see your MAGNIFICENT H-E-M-A-N-M-U-S-C-L-E-S at the beach or gym. And, when the fellows stare with envy and jealousy—when the girls crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!

Your Pal,

MIKE MARVEL

"Builder of Champion Bodies"

**ARE YOU ASHAMED OF YOUR
BODY NOW?**

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do girls laugh and fellows grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPING DYNAXEL MUSCLES that will have the girls gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of unhealthy, unhandsome FAT? Puny muscles — sagging stomach — bloated face — arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! **THIS IS IT!** I will peel off that fat and give you a lean virile **DYNAFLEX BODY**, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined **HERCULES**—bursting with dynamic manly strength.

I'll give you a taut rock-hard midsection—legs muscled like coiled steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brimful of the magnetic SUPER-BODY SEX APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor.

whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover a mile, lift a ton, and I can lift a ton of money. DYNAFLEX gives you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method...but money, why not both? DYNAFLEX is the answer. Why not both and strain your way to a streamlined SAMSON-STRONG BODY when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET!

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Girls go for a fellow with TWO-FISTED BIG MUSCLE SEX-APPEAL . . . and they only laugh at skinny guys . . .

Let me give you a glowing new body brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and thrilling stamina that will have girls falling at your feet.

Man, you'll be really ALIVE — tingling with zest and rip-roaring energy — for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It *really* works—and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!"

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago and
